Sour Stomach
No appetite, loss of strength, nervousness, headache, constipation, bad breath, general debility, sour risings, and catarrh of the stomach are all due to indigestion. Kodol cures indigestion. This new discovery represents the natural juices of digestion as they exist in a healthy stomach, combined with the greatest known tonic and reconstructive properties. Kodol Dyspepsia Cure does not only cure indigestion and dyspepsia, but this famous remedy cures all stomach troubles by cleansing, purifying, sweetening and strengthening the mucous membranes lining the stomach.

MARCHING ON PANAMA.

As was stated yesterday in the Gazette the French steamer Versailles, which has arrived at La Guayra from Savannah reports that Colombian steamboats have landed 1,100 men from Cartagena near the mouth of the Atrato river, on the Gulf of Darien, to open a way over the Darien mountains into Panama. Other troops from the Department of Cauca, Colombia, are said to be converging on Panama, and from all parts of Colombia troops are reported to be marching or awaiting the result of General Reyes' mission to Washington. The United States cruiser Albatross is still patrolling the eastern end of the San Blas coast and keeping an outlook for any attempt on the part of the Colombian government to land troops on the Isthmus, which the Atlanta would at once prevent. The Atlanta is also endeavoring to ascertain if the Indians know anything of the movements of troops from the interior across the frontier and is also seeking information concerning the alleged concentration of Colombian troops at the mouth of the Atrato river, on the Gulf of Darien. The Atrato river, being in Colombian territory, the Atlanta, of course, could not interfere with any movements of Colombian troops there. The United States gunboat Bancroft left yesterday to patrol the western end of the San Blas coast in co-operation with the Atlanta. It is expected that the latter vessel will return to La Guayra in a day or two to report. The battleship Maine left Colon yesterday for the United States to undergo repairs.

DEPUTIES AND CLERKS FIRED ON.

While a number of deputies and clerks were driving from Berwind to Tobasco, Col., yesterday afternoon, they were fired upon by several men hid behind rocks and brush. The deputies and clerks jumped from the wagon and returned the fire. The shooting continued at intervals for thirty minutes, though no one was injured. Sheriff Clerk and posse were preparing to leave for the scene on a special train when word was received that reinforcements of guards had arrived from Tobasco, half a mile away, and the ambush party fled. No arrests were made. The trouble is said to have originated yesterday morning when a miner came into the mine office at Berwind and became very abusive. He was kicked out by a deputy, and it is thought that he stirred up his friends to start the difficulty. The double funeral of Velano and Band, the miners killed by guards in the battle at Segundo, Monday night, will be held in Trinidad under the auspices of the miners' union. This being the first blood shed since the strike began, great preparations are being made for a demonstration. Over 1,000 union miners are expected to march in the funeral parade. The relations between the miners and guard at Segundo are still strained, and trouble is expected there at any time.

TALKS WITH WASHINGTON.

Visitors to the lobby of the Capitol have often seen a distinguished looking gentleman walking around the statue of General George Washington, pipe in hand, smoking and talking to himself. Invariably the question is asked, "Who is he?"
"That is Major Moses M. Green, of Fauquier," says Frank Watkins, the sergeant-at-arms of the Senate.
Major Green, who is one of the best informed members of the lower house—a man of remarkable powers for expressing himself tersely—was told one day of the excitement and curiosity his habit had occasioned.
"Now, Major," said Captain Bob Lee, "please tell us why you go out there and talk to George Washington. We want to know. If there is any one in the house to whom you object, why, say the word and out he will go without the least regard for ceremony."
"No," replied the Major, relighting his pipe. "I prefer to go out and talk to George Washington. He is far more agreeable company in every way to me than you fellows in the house. Besides, he has a reputation that the country is proud of."—[Richmond News-Leader.]

VIRGINIA'S LOAN.

When the United States government was an infant setting up shop on the banks of the Potomac, there was not enough money in the national strong box to build a shelter for it. The comparatively venerable Commonwealth of Virginia helped the struggling youngster out by lending it \$120,000. The loan was authorized by the Virginia General Assembly on December 27, 1790, and the money was to be used by the young government for public buildings. For 60 years the creditor made no effort to collect this loan from Uncle Sam, but in 1850 the Federal Government appearing to be prosperous enough to justify it, Virginia asked to be reimbursed. The Washington authorities did not pay, and now Senator Daniel has taken up Virginia's claim and introduced a bill in the Senate for its payment with interest since 1850. The creditor State is willing to have

Dr. Lapponi

Physician to the Late Pope Leo XIII., and Now Physician in Ordinary to Pope Pius X., Finds

BUFFALO LITHIA WATER

Of "Marvelous Efficacy in Gout, Rheumatism, Gastro-intestinal Dyspepsia, and in all the Various Forms of Uric Acid Diathesis."

Following is Exact Translation of Dr. Lapponi's Testimonial as Written by Himself:

ROME, August 24, 1903.—In the Hospital of San Giovanni Calibrita (del Fatebene Fratelli) in Rome, directed by myself, I have largely experimented with the natural mineral water, placed in commerce under the name of **BUFFALO LITHIA WATER**, and am glad to be able to attest that, by its richness of composition of lithia, it is of marvelous efficacy in cases of Gout, Chronic, Articular and Muscular Rheumatism, of Hepatic Congestions and Functional Disorders, of Gastro-intestinal Dyspepsia, of Gravel and Renal Insufficiency, of light Nephritic Affections and of all the various forms of Uric Acid Diathesis.
The same water is also to be recommended highly in the initial processes of Arterio-sclerosis and in obstinate forms of Bronchial Asthma.
May also be used as a good table water. So much I declare for the truth.
(Signed) PROF. GIUSEPPE LAPPONI,
Principal Physician of the Hospital of San Giovanni Calibrita (del Fatebene Fratelli) in Rome, Member of the Academy of Medicine of Rome, etc., etc.
Dr. A. Gabriel Peuchet, Professor of Pharmacology and Materia Medica of the Faculty of Medicine, Paris; Director of the Laboratory of the Consulting Committee of Public Hygiene of France, in an analytical report, dated Paris, February 12th, 1897, demonstrates beyond question the solvent and eliminant **BUFFALO LITHIA WATER**, and at the same time, strongly confirms the claim made by Dr. Lapponi for this water in Gout, Rheumatism and all troubles dependent upon an Uric Acid Diathesis.
Both Springs, No. 1 and No. 2, are valuable, and No. 1 specific in all chronic Malarial Poisoning.

BUFFALO LITHIA WATER is for sale by Grocers and Druggists generally. Testimonials which defy all imputation or question sent to any address.

PROPRIETOR BUFFALO LITHIA SPRINGS, VIRGINIA.

Uncle Sam deduct from its claim any money due to him, but she believes it is time the advance was returned.—[New York Sun.]

LANGLEY EXPLAINS.—Dr. S. P. Langley, the secretary of the Smithsonian Institution, whose aerodrome failed to fly, yesterday, said: "I cannot state now just what is the damage to the aerodrome. We have had no time yet to make careful examination of the machine. Some projection caught in the car as the aerodrome was being launched and caused the machine to break. The rear aeroplane or wings were rendered useless and threw the machine over. Just what caused this accident we do not know now."

Better than a Plaster.
A piece of flannel dampened with Chamberlain's Pain Balm and bound on the affected parts, is better than a plaster for a lame back or torn pains in the side or chest. Pain Balm has no superior as a liniment for the relief of deep seated, muscular and rheumatic pains. For sale by Richard Gibson.

Avoid all drying inhalants and use that which cleanses and heals the membrane. Ely's Cream Balm is such a remedy and cures Catarrh easily and pleasantly. Cold in the head vanishes quickly. Price 50 cents at druggists or by mail.
Catarrh caused difficulty in speaking and to a great extent loss of hearing. By the use of Ely's Cream Balm the ringing of noises has ceased, voice and hearing have greatly improved.—J. W. Davidson, Attorney at Law, Monmouth, Ill.

A Costly Mistake.
Blunders are sometimes very expensive. Occasionally life itself is the price of a mistake, but you'll never be wrong if you take Dr. King's New Life Pills for Dyspepsia, Dizziness, Headache, Liver or Bowel troubles. They are gentle, yet thorough. 25c. at E. S. Leadbeater & Son's drug store.

The Lone Star State.
Down in Texas at Yonkum, is a big dry goods firm of which Mr. J. M. Haller is the head. Mr. Haller on one of his trips to New York said to a friend who was with him in the palace car, "Here, take one of these Little Early Risers upon retiring and you will be up early in the morning feeling good." For the "dark brown" taste, headache and the long feeling Dr. Williams' Little Early Risers are the best pills to use. Sold by all druggists.

FOR OVER SIXTY YEARS
AN OLD AND WELL-TRIED REMEDY.—Mr. Winslow's Soothing Syrup has been used for over sixty years by millions of mothers for their children while teething, with perfect success. It cures the child, softens the gums, allays all pain, cures wind colic and is the best remedy for Diarrhoea. Is pleasant to the taste. Sold by druggists in every part of the world. Twenty-five cents a bottle. Its value is incalculable. Be sure and ask for Mrs. Winslow's Soothing Syrup and take no other kind.

In reply to inquiries we have pleasure in announcing that Ely's Liquid Cream Balm is like the solid preparation of that admirable remedy in that it cleanses and heals membrane affected by nasal catarrh. There is no drying or sneezing. The Liquid Cream Balm is adapted to use by patients who have trouble in inhaling through the nose and prefer spraying. The price, including spraying tube, is 75 cents. Sold by druggists or mailed by Ely Brothers, 56 Warren St., New York.
